

A postdoctoral position available

Hirosaki University, Faculty of Science and Technology

<http://www.st.hirosaki-u.ac.jp>

We invite applications for a postdoctoral position in theoretical condensed matter physics. Starting date is as early as April 1, 2018 and the position is until the end of March, 2020. The preference will be given to candidates with strong interests in strongly correlated electron systems, superconductivity, and topological phases. This position is financially supported by JSPS KAKENHI Grant Number JP15H05885 (J-Physics).

[Address of work locations and other information]

3 Bunkyo-Cho, Hirosaki, Aomori, 036-8561 Japan.

[Number of positions]

One

[Starting date of employment]

As early as April 1, 2018

Applications should include a CV (including the list of publications), reprints (up to three), and a brief statement of research interests. Additionally, candidates must arrange a letter of recommendation to be submitted. The documents should be sent to:

Jun Goryo, Faculty of Science and Technology, Hirosaki University, 3 Bunkyo-Cho, Hirosaki, Aomori, 036-8561 Japan

[Deadline]

February 28, 2018.

[Contact address]
